PRECISION MISSION MANAGEMENT

Veteran-Owned Federal Services Integrator

SDVOSB • MBE (Colorado) • DOBE • SBE • SAM.gov Active

Precision Mission Management (PMM) is a service-disabled veteran-owned federal services integrator with **35+ years** of senior government and industry experience. We serve government agencies, mission partners, and their prime contractors across four core competencies: Rapid Wartime Acquisition, Readiness Orchestration, Tactical Sustainment, and SAFe Adoption.

Past Performance

PMM founders bring 35+ years of Department of War (DoW) mission support experience with:

- Booz Allen Hamilton
- HP
- Leidos
- Microsoft
- U.S. Navy
- U.S. Marine Corps
- U.S. Army
- U.S. Air Force

Sample Projects:

- USN Wartime Acquisition Response Plan / Continuity of Operations (COOP) Plan
- AFNIC Acquisition Process Integration from DoD 5000.a to DESMF to ITIL
- MCIPAC Service Management Change Control Board (SMCCB) Governance

Core Competencies

Rapid Wartime Acquisition and Contingency Planning

Urgent and compelling need authority, Other Transaction Authority (OTA), and streamlined FAR/DFARS pathways that reduce time-to-field without sacrificing compliance.

Readiness Orchestration and Workflow Automation

Automated workflows, digital dashboards, and real-time data pipelines that replace manual, siloed reporting, backed by NMCI modernization and DevSecOps delivery.

Tactical Sustainment and Secure Lifecycle Management

Full lifecycle ILS planning, supply chain risk management (SCRM), configuration management, and sustainment engineering across all 10 logistics elements.

SAFe Adoption and Training

End-to-end SAFe 6.0 implementation: Agile Release Train (ART) launch, PI Planning facilitation, Lean Portfolio Management alignment, and executive leadership development.
